THE STILL, SMALL VOICE.

1KG 19:9-16

Elijah the prophet travelled for days and got to Horeb at night where he passed the night inside a cave. Right there God spoke to him." What are you doing here?" God asked Elijah. "All other prophets had stopped serving you, only me is left all alone and queen Jezebel had ordered people to kill me, can you see am in great danger!!" Elijah complained!

Suddenly a very strong wind blew past the opening of the cave, but God was not in the wind therefore God said no word to Elijah, everywhere became calm. Then the ground shook heavily (earthquake) which was followed by fire, still God spoke no word to Elijah.

After the fire, whirled wind and earthquake, all became calm just then came God still small voice whisper said" asking the same question "Elijah, what are you doing here?" This time Elijah was scared! He covers his face with his clothes and went out slowly outside the cave.

Elijah repeated his pains and anger to God. Go said God," Anoint Elisha to be your assistance and he will replace you later; anoint Jehu to be king over Israel and Hazael king over Syria. Beside I have 700 other prophets who are still serving me!!

Elijah anointing Jehu

MOSES! MOSE!! MOSE!!!
EXO 3:1-8

Moses cared for his father in-law's sheep in the wilderness, one day a huge fire broke out, but what was strange is that the trees and grasses were not burnt! What a sight!! Moses wondered how can such huge fire and the dried leaves are not burnt. Moses went closer to view this wonder!!

When God saw that Moses was curious, He called on him Moses! Moses!!Moses!!! if you were Moses, how will you feel? Fear gripped Moses, his heart probably was beating faster and he covered his face with his clothes.

God went on speaking " I am the God of Abraham , Isaac and Jacob, I have heard the pains and the cries of my people who are in slavery in Egypt, I am sending you, He went on " To bring them from Egypt to Canaan, the good land I promised their great grand-father"
